Hello from your Chairman!

Hello and Happy Holidays!

We've been hard at work bringing some new ideas to our annual New Years Day Cruise - making a "New Years Island Sojourn" to Thompson Island hopefully "bigger & better" than before.

Several Board Members and our two interns have made it possible for us to allow our guests to pick from: Yoga & Meditation (lead by PopUp Asana); a facilitated birding tour (lead by the Brookline Bird Club), a island tour (lead by NPS Ranger) Val Wilcox. As in the past we'll have limited snacks and some non-alcoholic beverages available on the island, but you're always welcome to bring your own picnic.

We'll also have "goodie bags" for you to take on the trip - limited to the first 150 at the boat on January 1st.

What's next? - the New England Boat Show will be this coming February 13-21, 2016 and we're already working on sponsors and raffle prizes - Cabelas will be working with us again this year (thank you!).

We're looking forward to a great turnout on the 1st - hope to see you on Thompson Island!
