While some of the other non-profits working in the harbor have *much deeper pockets* than us, we are a dedicated non-profit that for over 35 years has worked to provide service to the Boston Harbor Islands.

Consider this season helping us continue our work.

You will note there are 2 types of membership, "lump sum" or a set amount paid in one payment. The other option is a "subscription" membership. A subscription membership provides a donation from \$20 & up a month to the Friends and helps the group tremendously, and does so in an **easy to budget** way for you.

With the SUBSCRIPTION Feature, you can budget your increased membership level over 12 months - tremendously and affordably assisting the FRIENDS and receiving a wonderful new book at the same time!

A Subscription Membership can affordably provide:

\$20 a month = \$240 a year!
\$30 a month = \$360 a year!
\$40 a month = \$480 a year!
\$50 a month = \$600 a year!

Did you know that our boat trips are run as a "public service"? With the cost of the charter, we often run the trips at break even. **Members like YOU** are our major source of income. Thank you for being a Member of the Friends of the Boston Harbor Islands! [JOIN US!](#) *Thank you for your support.*

Boating in the Park 2017

DCR & Boston Harbor NOW have plans to increase the number of boat moorings and to open Spectacle Island Marina by Memorial Day. The Plan is for 50 moorings on the Western side of Spectacle Island; 25 on the Northwestern side of Georges and 11 on the Southeastern side of Gallops (Gallops remains closed). Moorings managed by the

DCR/Boston Harbor Now Online Reservation System.

***PUBLIC COMMENT PERIOD Until May 11th with the US Army Corps Document available for review.** The initial proposal has moorings being added to a very busy area at Spectacle Island as well as next to George's Island. Perhaps moorings can be added to Rainsford, Long, Great Brewster & Calf.*
